

**Mandatory Language for Monitoring and Reporting Violation
Failure to Submit a Surface Water Monthly Operating Report (SWMOR)**

City of Toyah, PWS ID TX1950004 has violated the monitoring and reporting requirements set by Texas Commission on Environmental Quality (TCEQ) in Title 30, Texas Administrative Code (30 TAC), Section 290, Subchapter F. Public water systems that treat surface water and/or ground water under the direct influence of surface water are required to submit monthly operating reports with operational data of the treatment, disinfection and quality of the water provided to their customers.

This/**These** violation(s) occurred in the monitoring period(s): DEC 2018 - JULY 2020; FEB 2014 - DEC 2015

Results of regular monitoring are an indicator of whether or not your drinking water is safe. We did not complete all monitoring and/or reporting for surface water constituents, and therefore TCEQ cannot be sure of the safety of your drinking water during that time.

What is being done: We are taking the following action to address this issue: (corrective action): The City of Toyah has Hired a Class C Surface Water Treatment Plant Operator as of Aug 24, 2020.

Please share this information with all people who drink this water, especially those who may not have received this notice directly (i.e., people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

If you have questions regarding this matter, you may contact:

Water System Official: Brandie R. Baker

Area Code + phone number: 432-259-3908

Posted / Delivered on: Sep 25, 2020

Instructions for preparing the required Public Notice:

Recopy the mandatory language above and insert the underlined information in the spaces indicated.

The TCEQ recommends that the public water system provide a copy of the Public Notice(s) to local and state officials, such as Mayors, City Council Members, County Commissioners, Judges, and/or State Representatives, that are located in or that represent the affected area(s) served by the system.

Public Notice delivery timelines:

The initial public notice shall be issued as soon as possible, but in no case later than 366 days after the violation was identified. Repeat public notice shall be issued every twelve months for as long as the violation persists. All notifications require the attached Certificate of Delivery due ten days from the posting date of the above notice.

Refer to 30 TAC §290.122 for additional information on Public Notification.
